**The St. Andrew School of Evangelization** is a new effort in the Diocese with the encouragement of our Bishop, to draw people closer to Jesus and help them better understand their Catholic faith. The School is not a building but rather a series of courses being offered following an approved program. The first course, "New Life", was held in the fall. The second is "Emmaus", about setting our hearts on fire for the Word of God. The third in the series of 21 possible courses is "John: the building of a Disciple". These interactive courses are interesting and fun as well and they help us grow spiritually. The course "Emmaus" will be held the weekend of April 29, 30 and May 1. Registration is limited. The target group is 50 years and under, but anyone who is interested in helping to further this program is welcome to apply. For more information contact Diane at [mgilligan1@coqeco.ca](mailto:mgilligan1@coqeco.ca) or Marilyn at 613-938-1091. Please pray for the success of this school.
