MOOSE CREEK: YOUCAT Groups: Living “The Year of Faith” by rediscovering The Catechism thanks to the YOUCAT meetings.

- * YOUCAT is sharing with very nice people a meal prepared for us. What more can we ask for?
- * YOUCAT is a catechism written in a language easy to understand.
- * YOUCAT gives us the words that enable us to express our faith no matter how old we are!
- * YOUCAT is talking about our faith, our values in a convivial atmosphere.

It is simply saying what we think without feeling judged.

In 2012, we celebrated the 20 anniversary of the first edition of the current Catholic Catechism. Over the years, the catechism evolved and its language changed to remain current with its time. Although specific references and images have changed, the content remains the same because it is based on the Sacred Scripture, Apostolic Tradition, the living Tradition of the Church and the authentic Magisterium. The catechism is an excellent reference tool for Catholics wanting to rediscover or broaden their understanding of our values. We may find an older version more difficult to understand and apply. In 2011, the YOUCAT was published which primarily targets young adults and is accompanied by pictures, quotations, and definitions. The YOUCAT program for our parish will be presented over 4 weeks (four 2½ hour meetings). We are hoping to begin on Friday, February 22nd and we hope you can join one of the sharing groups. If you did not sign-up yet, please contact Theresa Mainville (538-2916) who will be the facilitator. Please consider participating in YOUCAT – come learn more about our faith, talk about it, share it with others and live it out!
