CORNWALL : Série de films au choix de l'Évêque at the Port : 2 - 3 novembre - Le Métis de Dieu (avec sous-titres anglais) : Exceptionnel destin que celui de Jean Marie Lustiger, le juif qui devint cardinal. A 14 ans, en pleine Occupation, il se convertit au catholicisme contre l'avis de ses parents. Il perd sa mère en déportation et se déchire avec son père, qui n'accepte pas son choix. Devenu curé, il se hisse soudain au sommet de la hiérarchie ecclésiastique grâce à Jean Paul II, auquel il se lie d'amitié. Mais en 1985, un couvent de carmélites polonaises s'installe dans les murs maudits d'Auschwitz, là où Giselle Lustiger a été gazée. L'évènement déclenche la plus grave crise entre juifs et chrétiens depuis la Seconde Guerre mondiale. Et c'est à ce prince de l'Église pas comme les autres qu'il revient de trouver une issue au conflit qui le bouleverse intimement.

CORNWALL: Vous êtes invités à une présentation, un enseignement, une expérience du thème: « Qui est Dieu? Dieu dans la mythologie, la science, révélé ». Présenté par Maurice Poirier, diacre permanent, à la salle de la paroisse St-Félix le 23 octobre 2014 à 7pm.

JASON EVERT IN OTTAWA! This is a two part event on November 7th!! – Freewill offering!
For youth in grade 9 - 12, from 6:30 to 8:30pm: In this seminar, which has been delivered to more than one million teens on six continents, Jason Evert reveals the compelling vision of God's plan for human sexuality and present an uplifting case for practicing the virtue of chastity. By addressing the issues that we struggle with most, such as sexual pressure, pornography, modesty, and starting over, Jason offers encouragement for teens to maintain their purity or begin again if they've made mistakes in the past. Eucharistic adoration and confession will be available.

For young adults 18+, from 8:30pm to 10:30pm: Young Adults often feel lost and discouraged in their attempts to find authentic love. Nearly all of them long for healthy and happy relationships, but so few seem to find one. In this seminar, Jason Evert explains how today's young adults can successfully navigate through the single years of life, avoiding the lies of the world and discovering God's plan for human love.

Both events will take place at Blessed Sacrament Parish (194 Fourth Ave). For more information contact Ted Hurley at thurley@archottawa.ca.

EMBS Priests' Pension Plan – What do the priests and the parishes contribute to the Priests' Pension Plan?

The priests' personal contribution is \$1,000 per year. The parish's contribution on behalf of the priest is \$1,500 per year. In addition, the priests receive a taxable mass stipend and 25% is contributed to the pension plan. Last year the pension fund investments grew by 9.8% and in 2012 they grew by 6.3%. These are good returns that help but do not remove the need for assistance from parishioners as we work to our goal of \$1,100 per month.

This year, we increased the pension to \$800 per month. An amendment of this nature requires an actuarial valuation for the government, which is an expensive exercise. As we need to provide this valuation every three years regardless, we will adjust the benefit when the valuation is required. The next such opportunity will be at the end of 2016. An element which the actuaries use in their calculations is the life expectancy as this indicates how long a pension is to be paid. Thankfully, most of our priests are living long lives, which is a great blessing, but also means the pensions are paid out for a longer period therefore cost more.

We therefore ask for your generosity and thank you for your consideration. Should you have any questions, please contact Deacon Pierre Aubé at (613) 933-1138 extension 25 or Fr. Daniel Van Delst at (613) 932-9226.
