Nous encourageons tous les participants à assister à l'une de ces sessions:

**LE MOT DE REMERCIEMENT - A THANKSGIVING WORD** : Mr. Mark Girard has informed me recently that he will be moving to Cornwall this week. I would like to thank Mark and his wife (Yvonne) for the 38 years of service that they have given to our parish community here in Moose Creek. Mark was a key person, the resource person in our parish. Member of the Parish Pastoral Council(PPC) and the Parish Finance Committee(PFC) for many years, he has shovelled the snow for a long long time and was always available to help in any occasion (reader, Eucharistic minister, altar servant, grass cutting, lights installation, and so on...) On behalf of all the parishioners of Our Lady of the Angels and the members of the PPC and the PFC, I thank him for his service and dedication to our community. May God our Father give him back a hundred times what he has done for his Church. I wish him God's blessings upon his new place. Merci beaucoup Mark. Père Cyriaque Balla.

**CONNAITRE JESUS, C'EST CELA VOIR -TO KNOW JESUS THIS IS TO SEE :**

«Notre vie est parfois semblable à celle de l'aveugle qui s'est ouvert à la lumière, qui s'est ouvert à Dieu, qui s'est ouvert à sa grâce. Parfois malheureusement, elle est un peu comme celle des docteurs de la loi, des pharisiens qui s'enlisent toujours plus dans leur cécité intérieure: du haut de notre orgueil, nous jugeons les autres, et même le Seigneur ! A la fin de l'épisode de l'homme aveugle de naissance auquel Jésus donne la vue, alors que de présumés voyants continuent à rester aveugles dans l'âme, l'aveugle guéri parvient à la foi, et c'est la grâce la plus grande qui lui est faite par Jésus : non seulement de voir, mais de Le connaître, de Le voir comme « la lumière du monde» (Cf. Pape Francis Angélus du 30 mars 2014).  
«Our lives are sometimes similar to that of the blind man who opened himself to the light, who opened himself to God, who opened himself to his grace. Sometimes unfortunately they are similar to that of the doctors of the law: from the height of our pride we judge others, and even the Lord!...The lengthy account opens with a blind man who begins to see and it closes with the alleged seers who remain blind in soul. In the end the blind man who was healed attains to faith, and this is the greatest grace that Jesus grants him: not only to see, but also to know Him, to see in Him "the light of the world"».

**THE EUTHANASIA DECEPTION**: In what should send chills down your spine, researchers from the University of Calgary recently wrote in the Canadian Medical Association Journal, "Medical assistance in dying could reduce annual health care spending across Canada by between \$34.7 million and \$138.8 million." On March 28<sup>th</sup> at 7pm and on April 4<sup>th</sup> at 2pm, at the Agora Catholic Centre, the Diocese and Pro-Life Cornwall will present the excellent documentary "The Euthanasia Deception". Following the one hour documentary, there will be a short presentation about what you need to know to protect you and your family (including information on Powers of Attorney and Living Wills) as well as what you can do to influence the law going forward.
